Major General Charles A. Willoughby  
AC of S, G-2  
Headquarters, Far East Command

Dear General Willoughby:

I wish to express to you my sincere appreciation for all the courtesies you extended to me during my recent all too brief visit to [redacted] I feel sure that the Director's visit and the helpful conversations we all had together will afford a real basis for effective cooperative action, and I am eagerly looking forward to working most closely with you from here on.

I have told my brother, who is leaving today, of our work together and all the valuable counsel which I felt sure you could give to him in his difficult task. I hope you will have frequent occasions to get together.

We had a very pleasant trip back, enlivened by the reading of the fascinating "Sorge Story". It seems to me that we ought to find some way of getting broader publicity for this story, and if the occasion to do this is presented, I shall certainly get in touch with you.

Frank Wisner and I dined together the other night and I passed on to him the messages you had sent through me, and told him of the course of our conversations [redacted] I know you will be hearing from him.

STAT

Please let me hear from you from time to time and let me know if there are any matters which arise in your relationship with any of our people where you feel that I can be of any assistance. We are working for the same objectives.

With all kind regards, I remain

Sincerely yours,

Allen W. Dulles
